Bringing Flowers to your Buildings....

The Benefit was organized to raise money to help families and children in Dallas who, as a result of no fault of their own, find themselves in severe need of temporary help. The Dallas BOMA Community Service Committee works with selected organizations to offer the skills, goods and services of our membership to help these individuals have a renewed opportunity for a productive and happy life.

Please take a few minutes to read the mission statements of this year's selected organizations. Additional information on each may be found at their individual websites or at the Dallas BOMA website www.bomadallas.org.
